AGEING PHENOMENA IN ELECTRICAL INSULATING MATERIALS AND SYSTEMS

ZAKOPANE

DECEMBER 1986

PUBLISHED AMM

CRACOW 1986

V Symposium "AGEING PHENOMENA IN ELECTRICAL INSULATING MATERIALS AND SYSTEMS" is the continuation of the preceding Symposia on "Problems of Partial Discharges in Insulating Materials and Systems", which have been organized in: 1972, 1975, 1979 and 1983.

ORGANIZING COMMITTEE

Chairman: *dr inż. Barbara Florkowska* — Academy of Mining and Metallurgy Electrical Power Institute, Kraków

Members: *doc. dr hab. inż. Józef Machowski* — Chairman of the Polish Society for Theoretical and Applied Electrical Engineering, Dept. in Kraków

mgr inż. Józef Domagała — Vice-Director of the Cable Machines Factory in Kraków

Scientific Secretary and Consultee: *doc. dr hab. Romuald Włodek*

Secretary: *mgr inż. Jakub Furgat*

Cooperation: *dr inż. Marek Szczerbiński, mgr inż. Wiesław Syrek*

Cover and title page: *Janusz J. Kwiatkowski*

Matryce wykonano z dostarczonych oryginałów

Akademia Górniczo-Hutnicza im. S. Staszica w Krakowie

Nakład 200 + 26 egz.

Papier druk. B1, kl. III 63g

Zamówienie 847/86

T742

Ark. wyd. 19,25; ark. druk. 17,5

Oddano do produkcji 1986-12-02

Druk ukończono w grudniu 1986

Wykonano w Zakładzie Graficznym AGH, Kraków, ul. Kawatory 40
